Babergh & Mid Suffolk Councils

October 2023

Help shape our priorities for the next four years

Now both administrations have set out their initial vision and priorities for the next four years, it's time for our communities to tell us what they think...

Pending cabinet approval on October 3, we will be embarking on a major engagement exercise with residents, communities, businesses, stakeholders and partners – so they can tell us whether they think we are focusing on the right issues.

Feedback will be sought in a range of ways, both online through a survey and in person workshops. This will then help shape our priorities and our refreshed Corporate Plan. We will promote any consultation through all our usual channels and would be grateful for the support of our town and parish council colleagues in helping to spread the word.
